DECISION ON PETITION

This is a decision on the petition, filed on August 5, 2002, to withdraw the holding of abandonment of the above-identified application. No fee is required for the petition.

The petition is **GRANTED**.

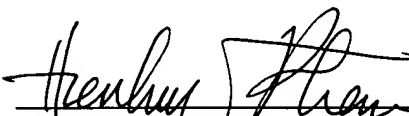

This application was held abandoned for failure to respond in a timely manner to the non-final Office action of November 7, 2001. A Notice of Abandonment was mailed on July 2, 2002.

Petitioner states that the Office action of November 7, 2001 was never received by counsel and attests to the fact that a search of the file jacket and docket records indicates that the Office action was not received.

An inspection of the application file reveals that the Office action of November 7, 2001 was returned to the Patent and Trademark Office but not remailed in accordance with MPEP 707.13.

In view of the fact that the Office action of November 7, 2001 was not remailed, the Notice of Abandonment is hereby vacated and the holding of abandonment withdrawn.

The application file is being forwarded to technical support staff for Technology Center 2800 for remailing of the Office action of November 7, 2001. The period for response will be restarted along with the remailing of the Office action.
